

[UPDATED] LETTER FROM THE CHAIRS

Dear Honorable Delegates,

Welcome to Kennedy's Executive Committee of the National Security Council (EXCOMM) in GECMUN VII. We are Benny Hwang, Spany Noh, & Flora Oh, and we will be chairing/directing this committee. It is an honor that we will be part of this magnificent conference with talented delegates. The 1962 EXCOMM is one of the committees under the Joint Crisis Committees (JCC). The JCC are two committees that go against each other in an ominous crisis. In this Joint Crisis Committee, we will be handling the issue of the Cuban Missile Crisis with the 1962 Soviet Committee. The officers of the JCC will make sure to be collaborative, and well-prepared for all delegates to have unforgettable MUN experiences. As a delegate, we suggest that you are confident, active, and well-prepared based on your character assignment. We hope that all delegates can have fruitful discussions and create unforgettable experiences throughout this journey. If you have questions or concerns regarding the JCC, please don't hesitate to contact us. Otherwise, we look forward to seeing you soon. Stay safe.

Sincerely,

Benny Hwang (sbhwang22@kis.ac)

Spany Noh (yhnoh23@kis.ac)

Flora Oh (mjoh23@kis.ac)
