

GECMUN 6

BEYOND MUN

ADAPTING AND MOVING FORWARD

The Global Education City Model United Nations (GECMUN) would like to invite you to join our sixth annual session on March 5-6, 2021. Although our plan was to host the conference at the Jeju Shinhwa Landing Convention Center, we will now be hosting half of our committees online to ensure the health and safety of our participants.

Please do not hesitate to contact the director of the program, Nickolas Harris, at nharris@kis.ac

COVID CHANGES

We thank all of our participants for their flexibility and understanding as the GECMUN 6 conference was postponed and rescheduled. Due to Covid-19, only local Jeju schools will be participating in-person and will hold committees in the Jeju Shinhwa Landing Convention Center. All other participating schools will join us for online conferences using the Zoom platform. There will be no hybrid committees: five committees will be held locally, and five more will be held online.

For students attending the local committees, new health and safety protocols will be implemented based on the nationwide KCDC recommendations. Mask-wearing will be mandatory at all times while not eating and hand sanitizer will be provided in all conference rooms. Microphones and surfaces will be frequently sanitized, seats will be distanced around our conference tables, and students will not be allowed to share food, writing utensils, or notepads.

INCLUDED

The registration cost includes conference note pads, a pen, a water bottle, and a t-shirt for each delegate and advisor. It also includes beverages provided throughout the event and committee themed pins. The remainder of your registration fees cover the cost of our venue, printed materials, props, and awards. School participating from outside of Jeju will receive their conference-related goods by mail in January, and awards and certificates by mail in March.
