

Global Education City Model United Nations V

Welcome to Jeju Island!

The Global Education City Model United Nations (GECMUN) would like to invite you to join us to our fifth annual session. The conference will take place at the English Education Center, located in the Global Education City. The conference is hosted by the four GEC schools, Korea International School Jeju, North London Collegiate School, Branksome Hall Asia and St. Johnsbury Academy Jeju. The conference will take place between March 29-30, 2019.

Please do not hesitate to contact the director of the program, Nickolas Harris, at nharris@kis.ac

**The only Korean
conference with
crisis committees**

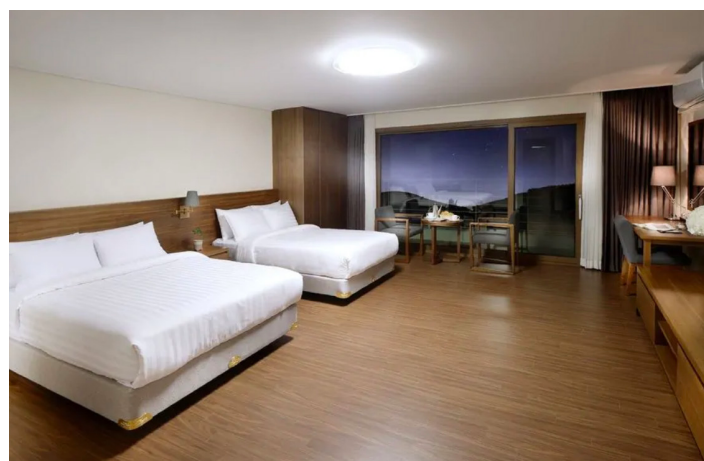

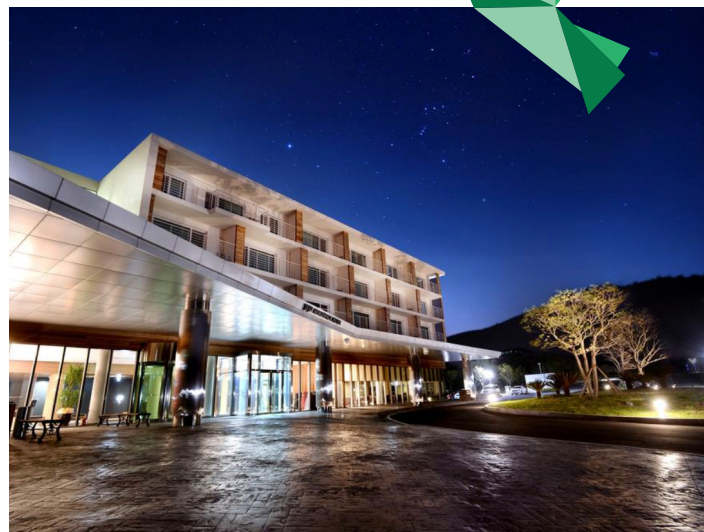

**Low cost and no
hidden school fees**

**An international
conference run
by international
school educators**

Accommodation

GECMUN V recommends the use of the Aerospace Hotel or the Shinhwa World Landing Resort, both located about 10 minutes by bus from the venue. The hotel cost will vary depending on when you book the rooms, but the approximate nightly cost to be expected per night for the Aerospace Hotel is around 90,000 KRW (two people per room) or 140,000 KRW (five people per room). The expected cost for the Shinhwa World Landing Resort is around 110,000 (two people per room). We would require visiting schools to fly in on Thursday night and leave on Saturday (or Sunday if you choose to travel around Jeju on Sunday). The conference will provide transportation to and from the hotels free of charge for both days. There is a lot the island has to offer, and if your schedule can accommodate, we would highly recommend flying in on Wednesday to have a full day on Thursday for tourist activities.
