

## [UPDATED] LETTER FROM THE CHAIRS

Hello delegates! My name is Megan and I will be serving as your UNHRC Chair for GECMUN 2021.

MUN has been an integral part of my life for the past few years—I have learned so much about the world around me and met people that have taught me so many important lessons. I hope that you are able to take advantage of this opportunity to educate yourself on issues that need our attention and be a productive, collaborative member of debate.

If you have any questions, please feel free to reach out to me at [21meganb@students.tas.tw](mailto:21meganb@students.tas.tw).

Thank you!

Megan

Hi, my name is Ethan and I'm a freshman in Taipei American School. I will be serving as one of your chairs in the upcoming GECMUN conference. Personally, I think Model UN is the perfect chance to learn new things. It is a chance to broaden your understanding of the issue and the world. Take advantage of this opportunity to both learn new things and meet new people.

My email address is [24ethanc@students.tas.tw](mailto:24ethanc@students.tas.tw). Email me if you have any questions.

Delegates, my name is Benjamin Chen, currently a student at Taipei American School.

I will be serving as one of the UNHRC chairs in GECMUN.

Model UN is such an interesting event as delegates from different places come together and discuss international issues. I am very excited to see the fruitful debate in the upcoming conference in GECMUN.

Feel free to email me [23benjaminc@students.tas.tw](mailto:23benjaminc@students.tas.tw) if you have any questions :)

Thanks!
